1. All pending claims 1-5 and 11-15 are allowed. Claims 1 and 11 are independent.
2. The following is an examiner's statement of reasons for allowance:

Non-elected claims 6-10 and 16-20 have been canceled.

Independent claims 1 and 15 have been amended to overcome the art rejection of the Office Action dated July 15, 2004. Specifically, claims 1 and 11 have amended to include the limitations of a detection signal generated by a document sensor when a document is present, and the selective driving of the motors is based on the detection signal. The examiner agrees with Applicant on that these features are not taught by the applied prior art Yokoi et al. (U.S. Patent No. 4,742,287) or any prior art reference of record.

Claims 2-5 and 12-15 depend upon claims 1 and 11, respectively.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
